

BEFORE THE STORK 3D/4D IMAGING, LLC
3D/4D ULTRASOUND CONSENT AND DISCLAIMER

_____, (hereinafter “Client”) has voluntarily requested from Before the Stork 3D/4D Imaging, LLC (hereinafter “Before the Stork”) a 3D/4D Ultrasound for purposes of providing a photographic keepsake image of her baby. Client agrees and understands this service is elective and is only for entertainment purposes, is for non-medical purposes and is NOT a diagnostic study. ***The Ultrasound is not being done for medical reasons and any images are not to be used to evaluate the client or the baby for any medical purpose. The Ultrasound will not be reviewed by any Physician or other healthcare professional. The Ultrasound is not a substitute for an ultrasound required for obstetrical care.***

Client understands and acknowledges that during this service image quality may vary depending on baby’s position, amount of amniotic fluid, placenta location, gestational age, and body habitus, and understands and acknowledges that Before the Stork cannot guarantee or provide warranty as to the accuracy of gender of the fetus. Client gives Before the Stork permission to reproduce, post, use any images or recorded data, without further compensation, for advertisement and promotional purposes.

Client assumes any and all risks associated with the Ultrasound procedure. ***Client agrees to release and hold harmless Before the Stork and its employees and representatives from any and all claims, disputes, and causes of action arising from the Ultrasound.***

Client understands and agrees to the above conditions, has been given an opportunity to ask questions, and hereby gives consent to the Ultrasound.
